

Important Message: BRE GDSAP Tool

The GDSAP tool will reopen on Monday 15th June 2015 for training purposes, and production of draft reports, with the GDIP lodgement functionality removed.

List of changes:

- Removal of lodgement facility
- Addition of facility to upload GDAR xml files
- Changes in text to reflect the removal of lodgement and addition of GDAR XML upload
- Completion of user details page now optional for new users
